# STUDIO POLICY

- The client's booking time will mark the start of the studio rental period, as opposed to the beginning of the shoot itself.
- Please note that if the studio has been reserved by another client after your designated time slot, it is important that you vacate the studio promptly at the end of your booking time.
- We allow a grace period of 30 minutes for pack up. However, if the pack up time exceeds 30 minutes, an additional hourly charge will apply.
- Please be aware that during the booking session, the client is fully responsible for any damages that occur, regardless of who caused them. Any damages will be charged to the client.
- To maintain the cleanliness and safety of the studio, the use of paint, flour, or any other form of powder is strictly prohibited.
- Please note that nailing, painting, or any form of sticking on the walls of the studio is strictly prohibited.
- The crew size capacity in the studio is between 10 to 15 people, including artists.
- Please note that cooking inside or outside the studio is strictly prohibited by the society. However, catering services are allowed.
- We kindly request that the studio be used with utmost care and cleanliness is maintained at all times.
- No smoking inside the studio.
